**FOR IMMEDIATE RELEASE**

**Anoka County Highway Schedules Overlay Projects in Columbia Heights**

Two pavement reconstruction projects in Columbia Heights will begin in early July with completion scheduled for mid-August. The first overlay project will repair a section of CSAH 4 (49<sup>th</sup> Ave. NE) from TH 65 to Stinson Blvd.; the second includes a section of CSAH 4 (Stinson Blvd.) from 45<sup>th</sup> Ave. NE to 49<sup>th</sup> Ave. NE.

In addition to mill and overlay work, the project will replace the bituminous curb with concrete, make needed repairs to the storm sewer, install pedestrian ramps compliant with the Americans with Disabilities Act, and add enhanced pavement messages and striping.

“This important maintenance work not only extends the life of the roadway but improves safety and conditions for drivers,” said Anoka County Commissioner Jim Kordiak.

All affected roadways will be open to local traffic during construction, though motorists may experience minor delays and lane shifts. The project cost is estimated at \$463,710.
