FOR IMMEDIATE RELEASE

Nature and Outdoor Presentation for Parents of Homeschoolers

Conservationist and Outdoor Enthusiast Seliesa ‘Sil’ Pembleton will be the featured guest at the Thursday, December 15, Homeschool Program at Anoka County’s Wargo Nature Center in Lino Lakes. Pembleton will offer new and exciting ideas for parents who want to encourage their children to appreciate nature and enjoy outdoor activities. She will speak at two sessions on the 15th—10 a.m. to noon and 2 p.m. to 4 p.m.— and will provide take-home materials parents may use to develop nature-themed lessons and activities.

The Pembleton talk is part of the Homeschool Program offered by Anoka County Parks and Recreation the third Thursday of each month October through May. In this free program, county naturalists work with homeschoolers to provide quality environmental, recreational, and natural history programs. Pembleton’s presentation is sponsored by the Jeffers Foundation and the Freshwater Society.

The Wargo Nature Center is located at 7701 Main Street, Lino Lakes, Minnesota. For more information about programs offered by the Anoka County Parks and Recreation Department call 651-429-8007 or visit www.anokacountyparks.com.
