Early Childhood Mental Health Subcommittee presents...*

**Think Proactive:  
Tools and Strategies to Promote Successful Behaviors**

This dynamic training presented by Shannon Dufresne, Early Childhood Family Education teacher, is being offered for child care providers. The goal is to help providers gain knowledge about children's behavior, teach them how to identify the purpose of challenging behavior and offer providers strategies for intervention. You will leave this class with practical tools for guiding young children toward social and emotional growth. Participants will receive a **6 hours** training certificate.
