

Recycling in Hilltop

Recycling is available to all residents living in single family homes, townhouses and condos. Apartment complexes set up recycling services through their garbage hauler.

Did you know?

Production of recycled paper uses 80% less water, 65% less energy and produces 95% less air pollution than paper production using raw materials.

Recycling aluminum uses 95% less energy than producing cans from new metal ore.

Glass recycling saves 25 to 32% of the energy used to make new glass and reduces related air pollution by 20% and water pollution by 50%.

Recycling 1 ton of plastic saves 685 gallons of oil.

Yard/Tree Waste Collection

Yard Waste (leaves & grass clippings) – bagged (starting January 2010, only compostable bags must be used); accepted on spring recycling days

Tree Waste (brush) – bagged (starting January 2010, only compostable bags must be used), accepted on spring recycling days; no more than 2" in diameter; NO stumps

Residential Recycling & Refuse Hauler

Waste Management of MN, Inc 952-890-1100

The future is in our hands.

Thank you for your continued recycling efforts.

Hilltop households average
443 pounds of recycling every year!

Please review the list of materials that can be recycled and recycle more if you can.

Curbside Collection of Recyclables

Set recyclables at the curb by 6:30 a.m. Pickup schedule is Thursday, every other week. Place recycling container at least 4 feet away from garbage can. Call Waste Management of MN, Inc., at 952-890-1100, for a single sort cart.

Do not place recyclables in plastic bags.

Place the following materials together in your recycling cart:

Aluminum Cans

Aluminum Foil – wipe off food debris

Glass – food/beverage, bottles & jars; rinse

Paper

mail, office & school papers

magazines & catalogs

newspapers & inserts

phone books

shredded paper in closed paper bags

cardboard boxes – flatten

cereal, cracker, pasta & cake mix boxes

shoe boxes, gift boxes & electronics boxes

boxes from toothpaste, medications & other toiletries

paper towel & toilet paper cores

Food Box Guidelines: Boxes from items meant to go in your cupboard (cereal, etc.) are generally recyclable. Packages for refrigerated and microwaveable products, such as frozen entrees, are usually coated in ways that make them unacceptable for recycling.

Plastic – #1 & #2 bottles & jugs with a neck & a screw-on lid; NO

fertilizer, pesticide, chemical or automotive fluid containers; rinse & throw away lid

Steel Food Cans – rinse

Recycling Questions

For specific questions on curbside recycling or a missed collection, call Waste Management of MN, Inc. at 952-890-1100, or hold items until your next recycling day.

For more information on Hilltop's recycling program, call Ruth Nelsen at 763-571-2023.
